

SETTING UP APPLICATION ENVIRONMENT

Team id	PNT2022TMID49331
Project Name	Plasma Donor Application
Team Members	P.SARAVANAN, R.YASOTHA, M.VANITHA, C.PRASANTH

Create account in sendgrid:

step 1: click start for free

step 2 : Enter your Email id and Password

The screenshot shows the 'Let's Get Started' sign-up page on SendGrid. The page has a light blue background. On the left, there's a form with the following fields and elements:

- Email Address:** A text input field containing 'saravananpalanisamy2001@gmail.com'.
- ☒ **Use email address as username**
- Password:** A text input field containing 'Saravanan2001Saravanan2001'.
- Must have at least 16 characters.
- ☒ **I'm not a robot** (reCAPTCHA)
- ☒ **I accept the Terms of Service and have read the Privacy Notice**
- Create Account** (blue button)

On the right, there's a white box titled 'Try it out!' with the text 'Send email for free.' and a list of features:

- ✓ Automated drip campaigns
- ✓ Password resets
- ✓ Newsletters
- ✓ Receipts
- ✓ Delivery notifications and updates
- ✓ Promoted emails

A yellow paper plane icon is shown flying towards the right. A dashed green line forms a loop around the 'Try it out!' box. A small reCAPTCHA widget is visible in the bottom right corner.

Step 3: Enter your details

The screenshot shows the 'Tell Us About Yourself' account details page on SendGrid. The page has a light blue background. At the top, the SendGrid logo is visible. Below it, the heading 'Tell Us About Yourself' is centered, followed by the text 'This information will help us serve you better.'

The form contains the following fields and elements:

- First Name:** A text input field.
- Last Name:** A text input field.
- Company Name:** A text input field.
- Company Website:** A text input field.
- Country Code:** A dropdown menu showing 'USA (+1)'.
- Phone Number:** A text input field.
- What is your role?:** A group of radio buttons with options: Developer, CEO, Marketer, and Other.
- How many emails do you send per month?:** A group of radio buttons with options: 0 to 100,000, 100,000 to 700,000, 700,000 to 1,500,000, 1,500,000 to 10,000,000, 10,000,000 to 50,000,000, and 50,000,000 to 100,000,000.

A small reCAPTCHA widget is visible in the bottom right corner.

Step 5: successfully created your account

7. Finish

How will the connection to the mail server be established?

Your connection settings depend on what your email service provider offers, and what your WordPress host allows.

Postman recommends  SMTP-STARTTLS with Password (Plain) authentication to host smtp.sendgrid.net on port 587.

Socket:

☐

 SMTP - sendgrid.net:587

☐

 SMTP - sendgrid.net:465
